AUTHORIZATION TO USE AND DISCLOSE HEALTH INFORMATION

You have the right to privacy. This means all information obtained as a part of this study will only be used as described below. The results of this study may be published in a scientific book or journal. If this is done, your name will not be used without your specific written permission. In addition, if photographs, audiotapes or videotapes are taken during the study, then you must give special written permission for their use. All information about you from this research project will be kept in a locked space.

By signing this Agreement you agree to allow the International Craniofacial Institute and his/her staff and the study sponsor, _____ (Sponsor), to use and disclose health information that identifies you for the purposes described below. You also agree to permit Medical City Dallas Hospital, its staff, your doctors, and your other health care providers to disclose health information in your medical records to the Researchers and Sponsor for the purposes described below.

The Researchers and the Sponsor may use and share your health information to conduct the research. They may use your health information as described in the informed consent. They may disclose your health information as required by law and to representatives of government organizations, review boards, and other persons who are required to watch over the safety and effectiveness of medical products and therapies and the conduct of research.

If information that could be used to identify you has been removed, then the information that remains is no longer subject to this Authorization and may be used and disclosed by Researchers and Sponsor as permitted by law. Once your health information has been disclosed to another party as indicated above, federal privacy laws may no longer protect it from further disclosure. However, the Researchers and Sponsor agree to protect your health information by using and disclosing it only as permitted by you in this Authorization. These limitations will continue even if you revoke (take back) your Authorization.

You do not have to give this permission and it is all right to refuse to sign this section of the consent form. Your doctor will still treat you even if you do not give your permission for this release of information. Your insurance will still pay your medical bills if you do not give your permission. However, since it is important for the people listed above to have access to your information, if you do not sign this Agreement, you cannot be in the research study.

While the research is in progress, you will not be allowed to see any health information that is created or collected. After the research is finished, you may see the information if you wish. Unless permission is specifically withdrawn, this permission will NOT expire at the end of the research study. You may request a copy of this Authorization after you have signed it.

FINANCIAL POLICY

We are committed to providing you with the best possible health care, and we are pleased to discuss our professional fees with you at any time. If you have medical insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policies. Please ask if you have any questions about our fees, your responsibility or the financial policy.

All patients must complete our Patient Information Form and inform our office of any changes in address or insurance. In order for us to treat and care for our patients, we must have complete and correct information.

Payment for services rendered is **due at the time of service**. We accept cash, checks, Mastercard, Visa, Discover, and American Express. We will be happy to file your insurance if you are a member of an insurance plan in which we are contracted. We *do not* file claims on insurance plans that we do not participate with. There will be a \$25.00 service charge for any returned checks.

The charges on your account with our office will reflect **our** doctor's fees only. Any hospital, x-ray, laboratory, anesthesia, pathology, etc will be billed by the provider performing the service.

We will gladly answer questions regarding your insurance. You must realize, however, that:

- Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract.
- Not all services are a covered benefit in your contract. Some insurance companies arbitrarily select certain services they will not cover and these are a patient responsibility.
- If your insurance coverage is through a plan that we are **not** contracted with, regardless of your carrier's rate of reimbursement, you will be responsible for the **FULL** balance of your account. This includes any amount over "reasonable and customary".

We will file all surgery claims to your insurance carrier and we will make every reasonable effort to maximize their reimbursement for you. If your insurance coverage is through a plan that we are **not** contracted with, a 20% surgery deposit will be required no later than 14 days prior to the scheduled surgery date. If your insurance carrier reimburses more than the balance due, you will receive a prompt refund of the overpayment.

We must emphasize that as a medical care provider, our relationship is with you, not your insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date the services are rendered. It is understood that temporary financial problems may affect timely payment of your account. If such problems arise, you are encouraged to contact us promptly for assistance in the management of your account.

This form must be signed prior to services being rendered. It will become a part of your permanent record with this office.

"I hereby assign, transfer and set over to the International Craniofacial Institute all of my rights, title and interest to my medical reimbursement benefits under my insurance policy with my current insurance company."
